City Railway Station	2 Kms
Yeshwantpur Railway Station	5 Kms
Yeshwantpur Taj Vivanta Hotel	7 Kms
Kempegowda International Airport	32 Kms

We have a Metro running right behind our Hotel and the station is called as **MANTRI SQUARE** where you could get a Metro in every 10 minutes to cover the distance in 11 minutes to the venue. That station is named as **YESVANTPUR INDUSTRIAL AREA** which stops right at Taj Vivanta. The services are from 6am to 11pm. The approximate cost for travelling this distance would be somewhere between Rs.25/- to Rs.30/- only.

As seen during the previous conferences at Taj Vivanta, the hotels in Central Bangalore are expected to be fully packed for the event dates. So, book early and enjoy a Central Bangalore stay - which would allow you to shop, eat and celebrate the nightlife in Bangalore after a hectic day at the Conference.
