

A futuristic white car with a robot driver. The robot is white and has a human-like face with a neutral expression. It is sitting in the driver's seat, holding the steering wheel. The car is shown from a side-front perspective, with the driver's side door open. The background is a bright, hazy outdoor setting, possibly a parking lot or a road. The overall tone is clean and modern.

future skills

A NASSCOM initiative

Futureskills.nasscom.in

VISION

To upskill 2 Million current technology professionals, and skill another 2 Million

AN INDUSTRY INITIATIVE

- The largest Industry led initiative in India, supported by all NASSCOM member companies
