HOW IT WORKS

How it Works : What we offer

All you need to do is SIGN UP and we activate the following

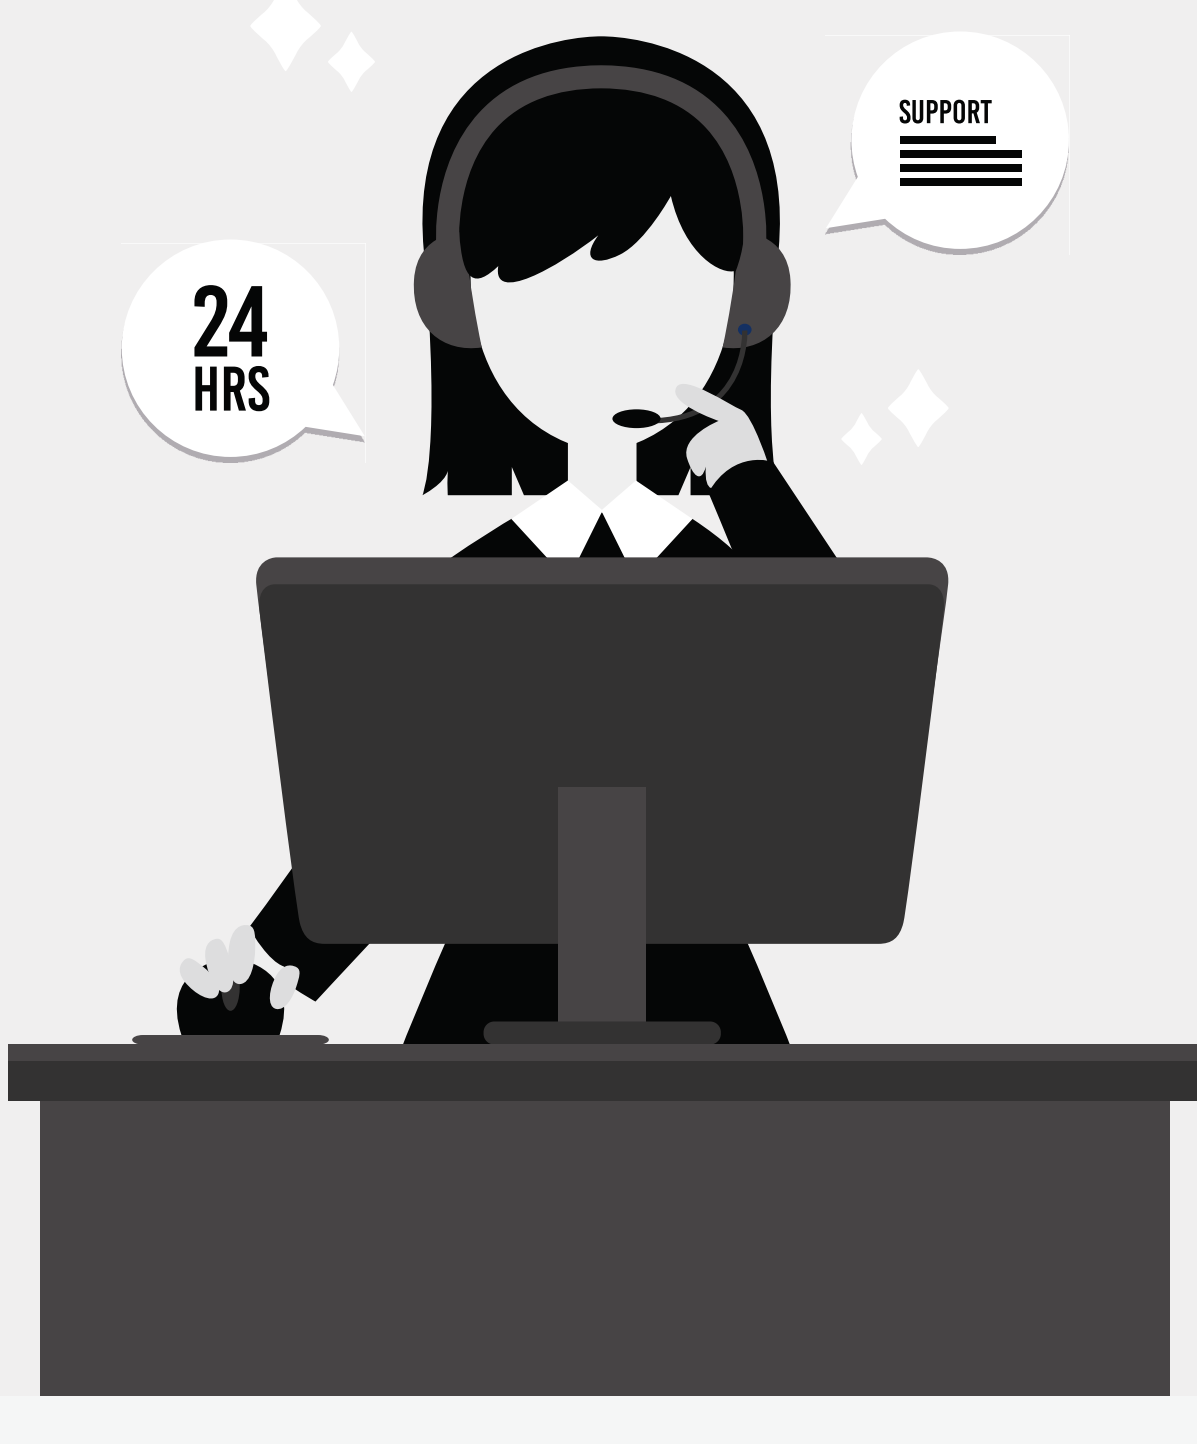

Dedicated Account Manager for platform set up, design, management etc

Operation Support on all add on elements including sponsor booth set up, layouts etc

Visualization expertise in creating maximum branding opportunity and defining a smooth virtual journey for attendee

Live Support to assist in troubleshooting any contingencies or answering any queries

Post Event Analytics for comprehensive reports, Overall support extended to sponsors as well on a need basis

PLATFORM OFFERING

Cast.Live

Ideal for internal meetings, broadcasting on multiple OTT Platforms. Not suitable for corporate events as the interface for panel discussion is default only.

Studio.Live

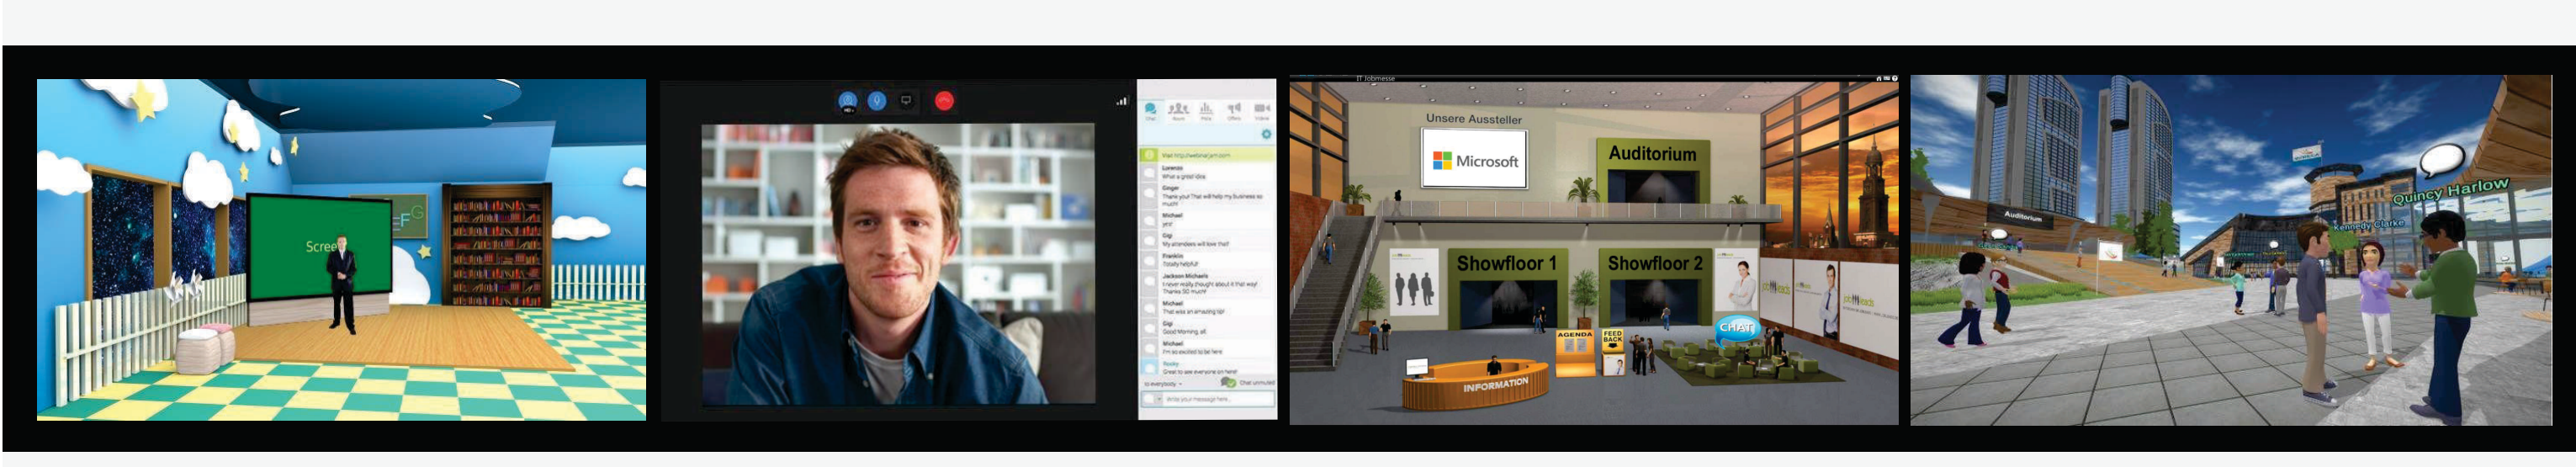

Ideal for Webinars, chat shows, podcasts and 2 D interfaced Events. Has a unique feature of getting all panelists into one virtual studio

Avatar.Live

Similar to Venue.Live, however its custom gamification makes it ideal for product launches and social events

Venue.Live

Complete on-ground experiences translated into virtual 3D space. Ideal for hosting large scale events, with multiple conference rooms, expo areas, networking lounge and much more.
